

CRA Confirms QuickTaxWeb is Canada's #1 Online Tax Software Intuit's Made-in-Canada software consistently chosen as the favourite of Canadians for easy, accurate tax returns

EDMONTON, ALBERTA – Mar. 2, 2006 – QuickTaxWeb is once again Canada's top choice for Web-based tax preparation software according to the latest numbers from the Canadian Revenue Agency.

Intuit's QuickTaxWeb and SnapTax.ca continue to outsell every competitive product, and account for 51 per cent of all returns NETFILED as of February 26th in Canada. More than

3.4 million Canadians NETFILED their tax returns to the CRA last year, and this number continues to grow as Canadians embrace the convenience of online tax filing.

Intuit Canada's Yves Millette is proud of his company's home-grown success as Canada's No. 1 financial software provider at retail. QuickTax has long been Canadian's favourite tax software because it's easy to use and helps maximize refunds; now, QuickTaxWeb has been confirmed as Canada's No. 1 online tax software by the Canadian Revenue Agency.

“We are proud to be Canada's #1 choice in tax software. Canadians want tax software that is made in Canada for Canadians by Canadians - and they have repeatedly voted with their hard earned dollars by choosing QuickTax,” said Yves Millette, CEO and president, Intuit Canada. “When it comes to easy-to-use, 100 per cent accuracy guaranteed tax software, our 13 years of experience make QuickTax and QuickTaxWeb the de facto choices for Canadians.”

No other Canadian tax product offers the same level of support, from in-product videos and demos, to unparalleled technical phone and e-mail assistance, free of charge, available seven days a week.

Intuit Canada also ensures its tax products are available to every Canadian, regardless of economic status; QuickTax and QuickTaxWeb remain free of charge to Canadians who made less than \$25,000 annually.

Tax Experts Choose QuickTax

For the past five years, the Canada Revenue Agency, the organization responsible for processing Canadians' tax returns, has chosen the QuickTax line of software for their employees. They join more than five million other Canadians who prepare and file their taxes with QuickTax.
