Getting Started

Quicken will get you up and running easily. The Express Setup interview walks you through setup in four easy steps, helping you add your accounts, bills & paycheques. For more detailed instructions, select **Quicken Help** from the **Help** menu, and click **Getting Started**.

What's New

To learn what features are new or improved in Quicken 2008, go to the **Help** menu and select **What's New in Quicken**.

Please read these instructions if:

- You purchased Quicken Cash Manager 2008, **and**
- You previously used another edition of Quicken (other than Cash Manager).

To import the financial information from your previous Quicken product, you must prepare it by following a set of instructions.

For details, visit quicken.ca/support Enter 'Cash Manager conversion' in the FAQ search to find instructions on converting your data file to Quicken Cash Manager. **This step must be done before you install Cash Manager 2008.**
